Explanatory Note

Pursuant to section 4(3) of the Law Reform Commission Act, the Commission has elaborated, and is submitting to the Hon. Attorney-General, its 2022-2023 Annual Program for the review of specific aspects of the laws of Mauritius with a view to their reform and/or development.

In preparing this program, the Commission has been guided by its strategic objectives, which are to ensure our laws are responsive to the needs of society in the light of the exigencies of globalization, are in conformity with our international obligations and reflect best international practices.

During the year 2022-2023, the Commission shall focus, *inter alia*, on Human Rights Standards and International Obligations, Compliance of Laws with the Constitution, , the Criminal Justice System (Criminal Offences, Criminal Evidential and Procedural Rules), the Code Civil Mauricien and other Related Legislation, the Legal Framework for Business, and Environmental Law.

In addition to the international and comparative approach for bench-marking of laws, laws reviewed will also be examined from an empirical perspective by having recourse to surveys and questionnaires, and the laws reviewed will, moreover, be looked at from an economic and sociological perspective. The Commission may have recourse to Advisory Panels for interaction with stakeholders and shall also use other innovative techniques for consultation.

The following Outcomes are expected:

- (a) More accessible and user-friendly legislation that enhances public awareness, confidence and understanding of the law;
- (b) Higher quality legislation that facilitates underlying policy objectives, which meets society's contemporary needs and reflects its diverse values;
- (c) Constitutionally appropriate and consistent law that acknowledges the international human rights instruments and other treaties to which Mauritius is a party; and
- (d) The development of a legal environment that reflects the increasingly international nature of law and co-operation between legal systems.
